

How it all works & our Terms & Conditions...

- Upon delivery you must provide our staff member with a copy of the proof of payment of the balance of the invoice either via eft or you can pay in cash. Additional drop-offs and collections must be paid upon delivery of the empty bin.
- You must ensure that there are a contact person that can meet us upon arrival and also ensure that we have access to the drop-off point.
- We need sufficient space for the drop & collect, we need a 1.5m clearance around our skip for collection and in the event of an overloaded skip, Mobi-Bins reserves the right under the Road Traffic Act and Workplace Health and Safety Act to refuse to lift the receptacle and a daily hire charge, wasted journey charges and labour fees are applicable and duly payable by the customer, charged at the current rate at that time until such time as the skip is safe to transport.
- In the event of a skip not being available for collection on its designated pick up day, and unless previous arrangements have been made for extended hire, additional transport charges and hire charges will be applied for wasted journey(s).
- Additional collections are charged per load including the relevant travel.
- We will place the bin at the agreed relevant area and under no circumstances may the bin be moved for this will affect the collection/loading procedure.
- We need a minimum of 2 hours notice for collecting the bins other than our standard collection days. This must be pre arranged.
- By accepting delivery of our bin or service the customer, or representative thereof, is fully accepting the terms & conditions set out of bin hire and services provided by Mobi-Bins.
- Following any verbal instruction, at the point of order, or on site, be it in the event that a signature is obtained, cannot be gained on delivery, and/or in the event of the customer or representative thereof not being on site for signatory purposes, it will be deemed that the terms and conditions are accepted once delivery has taken place, and in filling the skip provided, all terms and conditions fully apply therein.
- To fully indemnify that Mobi-Bins against any liability for personal injury or property damage when instructed verbally at the point of order, in person on site, or otherwise, by the customer or their representative(s), for any damages caused when directed off the public highway, to a place not constructed or generally rated for heavy weights in terms of kerbs, pavements, driveways, footings, pipes, manholes, pits or other obstacle(s) in width, height or however such injury or damage may be caused.
- Skips will not be filled above the top rim, and there will be no items or waste protruding above or from any direction whatsoever of the skip, and all waste will be confined within the skips capacity.
- Skips will not contain any prohibited items such as asbestos / tyres / paints / liquids / foodstuffs / combustibles or gases, unless a pre arranged, and a suitable receptacle is supplied and charged accordingly at the current rate.
- Should any of the above prohibited items be found to be in the hired skip, the customer is solely liable for all separation, environmental clean-up, administration and disposal/transport/hygiene costs arising from that contamination.
- To pay Mobi-Bins for any damages, repairs or replacement thereof incurred to skips, plant or equipment that may be damaged or defaced whilst on hire or on site and in the possession of the customer.
- To pay Mobi-Bins for any additional costs incurred as a result of being ordered to re-site or remove any skip(s) by a statutory or other authority.
- To ensure that any skip(s) that may be sited in a public area are to be adequately covered to prevent wastes being dislodged, removed, or any escape of wastes thereof, and to fully indemnify Mobi-Bins against any legal actions, damages or costs which may occur or be granted against Mobi-Bins or subsidiary thereof.
